Allowable Subject Matter

1. Claims 1-2, 4-8 and 10 are allowed.

The following is an examiner's statement of reasons for allowance:

The allowability of the independent claims 1, 8 and 10 resides, at least in part, in that closest prior art of record U. S. Patent 5,444,635 does not disclose or suggest, alone or in combination, inputting data to the optimizer indicating location of defects in the wood material, and determining a processing plan for the wood material including excluding the defects use of the remaining material according to the selected field of data, in combination with the other elements and features of the claimed invention. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
